JUNE 14, 2020

PARISH MISSION

We are Christ the King Parish, a richly diverse Christian Community in Northwest Detroit. We are on a journey of Discipleship with Jesus, seeking conversion, reconciliation and renewal. We reach out in welcome to all the people within our neighborhood, proclaiming the good News of Christ the King, building community, celebrating together, serving one another's needs and the needs of all our neighbors.

Gratitude in Difficult Times

There are times in our lives that can awaken us to a deep sense of thankfulness. This time of pandemic and social unrest, despite all of the suffering and heartbreak, is one of those times. During these past months, we have all experienced a collective sense of sorrow over the loss and illness endured by so many; the hardship of unemployment and uncertainty that has impacted millions; and the anger, fear and outrage over the senseless deaths of so many black people who have withstood centuries of racial injustice in this country.

Yet, at the very same time, we have all witnessed the sacrifice and heroism of thousands of people who have responded in ways that are life giving, affirming, courageous, prophetic and loving. In both the bad and the good, the tragedies and the victories, we have all experienced such an array of emotions and responses to the events happening right now in our city, state and country. And, as people of the Resurrection sent into this world by Christ to bring the good news of the reign of God to all nations, we have in some way stood in solidarity with people throughout the world.

On this feast of the Most Holy Body and Blood of Christ, St. Paul reminds us that, "We, though many, are one body." (1 Cor 10:17) This unity as one body of Christ among all people is Jesus standing with each and every one of us in solidarity, and is nourished by the one loaf of bread, broken and given to us as the communion we share in the Body and Blood of our Risen Lord. Through this Sacrament of the Eucharist we enter into the lives and joys and sorrows of all peo-

ple on earth just as the Risen Christ did for us.

For this, we cannot help but be full of gratitude and thanksgiving. Because of this, we have the blessed assurance that we can find the answers to curing disease; transforming our economy to serve all people; healing the damage done by humanity to our earth; and transforming our will to rid our society of the scourge of racism, providing justice and opportunity for all.

Nothing is impossible for Christ... and nothing is impossible for the Body of Christ with the Spirit given us at Pentecost!

We are thankful for all the first responders and all the protesters. We are thankful for this "Aha!" moment in history giving us the opportunity to view our society and our life within it in a new and promising way. We are thankful to our God who will never abandon us and will constantly reveal to us the divine and eternal life we are promised. We are grateful to the Father whose love and mercy is immeasurable, and to the Son whose Word is given us to serve all humanity and heal the sins of the world, and to the Holy Spirit who fills us with every good gift to renew the face of the earth.

Peace and all good.
Deacon Joe

Congratulations, Carmen!

Congratulations and welcome to Carmen Denise Marshall who professed her faith in the Catholic Church and received the Sacrament of Confirmation last Sunday here at Christ the King!

Her sponsor, Marge Johnson, said, "When Carmen first came into our church one morning, I was impressed with her youthfulness. Her smile is so kind, as is her voice. She expressed how people were so welcoming and open. She is a wonderful member of Christ the King Parish and I am proud to be her friend."

Carmen is the mother of three children, two daughters and one son. She formerly lived on the east side of Detroit and now resides in our neighborhood community.

When asked of her experience on entering the Church and this parish, Carmen said, "This church draws me closer to God... and I feel so welcome."

We praise and thank God for calling Carmen to the community of Christ the King!

THE WISDOM OF POPE FRANCIS

The proclamation of the Gospel is something different from all political, cultural, psychological, or religious forms of proselytism. Mission is a free gift of the Spirit, and cannot be entrusted to training programs or ecclesiastical establishments that seem to be swallowed up by the obsession of promoting themselves and their own initiatives and advertising their own initiatives.

The most central trait of the Church's mission is that it is the Holy Spirit and not the consequence of our ideas and projects. Receiving the joy of the Spirit is a grace and is the only force that enables us to preach the Gospel.

Salvation is not the consequence of our missionary initiatives, nor of our talking about the incarnation of the Word. Salvation can take place only through the lens of an encounter with the one who calls us and therefore is the result of an outburst of joy and gratitude. Proclaiming the Gospel means bearing witness to the glory of the risen Christ.
